THE INSTITUTION is established for the relief of the Sick Poor of the Town and Neighbourhood of Warrington, and persons sustaining accidents.

Poor people attacked by any sudden indisposition will be immediately relieved without a recommendation ; but they must procure one by the next day to entitle them to continue as patients.

It is earnestly requested that personal inquiry be made into the cases of the patients recommended, and to insert the name of the street where they reside.

Life Governors who wish to have blank printed recommendation forms may be supplied by sending for them to the Infirmary.

Donors of not less than Twenty-five Guineas, and an Executor or Nominee of any person bequeathing One Hundred Pounds, become Life Governors.

---

## The Dispensary

---

The Dispensary will be opened every day (Sundays excepted) at Nine o'clock in the Morning for dressing wounds ; and at Three in the Afternoon, when those who require a repetition of Medicines must apply.

Medical Attendance for general business will be given every day (Sundays excepted) at times arranged by the Board, and on Sunday in case of emergency.

Patients are required to deposit such sum with the Dispenser which will cover the cost of the bottles, &c., supplied, the same to be given back when the bottles, &c., are returned.

# REPORT

OF THE

## WARRINGTON INFIRMARY and DISPENSARY

FOR THE YEAR ENDING 31st DECEMBER, 1944

---

The Board of Management submit their report for the year 1944.

### FINANCIAL AND GENERAL

The year 1944 has been a difficult year for the Infirmary. The Government placed a ban on the admission of civilian patients from D-Day until later in the year, and this has resulted in the waiting list gradually increasing and at the end of the year there were some 700 patients waiting admission.

The admissions to the Children's Ward have also been restricted for long periods because of infection, resulting in delay in dealing with any children patients.

The National Health Service Bill was presented to Parliament in the early part of the year and received general public approval. Many millions are invested in Hospital buildings, equipment, etc., and the voluntary Hospitals are prepared to place their resources into a common pool in order to make a first-class Health Service, but while stating that the voluntary Hospitals will be called upon to play a fundamental part in the proposed Health Service the Bill, as presented, does not give them a proper representation on the proposed Regional Hospital Boards. Further, the financial proposals cannot be considered acceptable. The British Hospitals' Association is, therefore, making a strong representation to Parliament in order to get a proper recognition of their work and service.

During the year, a Nurses' Hostel Annexe was opened at "Hill Crest", Grappenhall. This was necessary to accommodate the extra nursing staff, rendered necessary by the Preliminary Training School mentioned in the Report of 1943. The upkeep of this house, together with the additional salaries and board, has brought about increased expenditure on nursing. Further, the increased salaries of the nursing staff under the Rushcliffe Scheme and the domestic staff on the Hetherington Scale and rising cost of commodities have thrown an extra burden on the finances of the Infirmary.

On December 31st, the Ministry of Health gave notice to terminate the use of Daresbury Hall Annexe Hospital. When this hospital was opened there was no thought of opening Thelwall Grange and with these two Annexe Hospitals it was obvious, for some time, that the full use could not be made of either. Daresbury Hall has been of great service to the parent Hospital, and if anything untoward had happened to the Infirmary during the heavy bombing, the Hall would have been a great standby. The grateful thanks are placed on record to Mr. and Mrs. C. F. Hill for the loan of this house, together with the services they have rendered.

The arrangement with the Warrington Corporation Health Committee in connection with certain beds at Daresbury Hall was modified during the year and has now ceased. The statistics relating to the four years of the work of this Annexe are appended to the Report.

Thelwall Grange Convalescent Home has completed another year's work but has not been used to the extent it was expected. This was partly due to the restriction of admission to the parent hospital and the concurrent use of the Daresbury Hall Annexe.

The Orthopædic Department Extension, the building of which was started at the end of 1943, has now been completed and will be formally opened in the New Year. It is compact in its planning and should prove of the utmost service, both to the patients and staff. Several Associations and friends of the Institution have generously given or raised money in order to meet some of the cost of new apparatus and equipment and it will be one of the best equipped departments in this part of the country. There is still a Plaster Room required and it is hoped to add this to the department in the near future.

An Electro-Cardiograph was purchased in the early part of the year and has already proved of the greatest use to the medical patients. In the past these patients had to be sent to Liverpool.

Other apparatus has been bought for use in the hospital generally. These pieces of apparatus are costly, but the Board realise that they must have the best and latest for the use of the hospital.

The work of the Out-patient, Orthopædic and Accident Departments has been carried on under great difficulties owing to the limitations of accommodation and in this connection it must be pointed out again that there is a severe strain on the whole of the hospital accommodation. What was adequate 25 to 30 years ago is totally inadequate to-day, and many departments which have commenced in the last 10 to 15 years are housed in very limited space. In some cases outside accommodation has had to be obtained for the increased staff, and this does not tend to improve the administrative efficiency.

The Board are fully aware that what is required is the building of a modern hospital with adequate room for expansion, capable of taking up to 300 patients and with proper facilities for Out-patients, Accident cases, and the numerous departments that go to make up a modern hospital. This important matter will have to receive attention very soon because in the proposed health service, each hospital is likely to be graded according to its accommodation and equipment, and whilst this hospital has always kept abreast with modern apparatus the buildings have reached the stage when they are no longer providing the service which is expected of them. This is a matter of post-war planning, requiring careful study and must be considered in conjunction with other hospital facilities in the Borough.

#### INCOME

1944	1943	1942
£48,686 2s. 3d.	£40,788 10s. 9d.	£38,723 19s. 7d.

The Income again shows an increase. This is mainly due to the sum received from the Ministry of Health under the Emergency Hospital Scheme, £14,443 against £6,858 in 1943. This is non-recurring Income and will cease when the Emergency Hospital Scheme ends.

#### EXPENDITURE

1944	1943	1942
£47,653 14s. 6d.	£42,384 3s. 6d.	£35,214 10s. 8d.

It will be seen that there is an increase of £5,269 over the previous year, and the main items involved are Provisions, Surgery and Dispensary, Salaries and Wages, Establishment Repairs and Extraordinary Expenditure.

In these days, costs are greatly enhanced and very unstable, and the prices paid pre-war and at the present time show a vast difference.

#### “HILL CREST” NURSES’ ANNEXE

In the last report, mention was made that additional accommodation was being sought in order to house the extra Nursing Staff, and whilst every search was made in the vicinity of the Nurses’ Hostel, Bewsey Road, no place could be obtained. This meant going further afield and a suitable house was found in Balmoral Road, Grappenhall. On enquiries being made it was ascertained that the owner was Mr. Reuben Higham, an old friend and helper of this hospital, and on his being approached by Mr. J. H. Smethurst, Chairman, he readily offered the house free of cost to the Infirmary. This was gratefully accepted

and with very little repair was soon turned into a Nurses' Home. These Nurses whose privilege it has been to stay there have thoroughly enjoyed their term of residence. It was decided to name the house "The Reuben Higham Nurses' Home."

Under Rule 3, Mr. R. Higham was elected a Vice-President of the Institution.

#### BOARD OF MANAGEMENT

There have been no changes during the year.

#### MEDICAL STAFF

Mr. Alan S. Kerr, M.B., F.R.C.S., was invited to join the Consultant Staff as Neurological Surgeon, and the Board are pleased to report his acceptance.

The Board tender their sincere thanks to the members of the Medical Staff for the services which they have rendered to the patients.

#### NURSING STAFF

Thirteen Probationer Nurses have passed the State Final Examination and 14 Probationer Nurses have passed the State Preliminary Examination during the year. Twenty-seven nurses have passed the Hospital Final Examination and received the Training School Certificate.

The Preliminary Training School is proceeding satisfactorily and it has been found that after a full year's working the percentage of girls who are not suitable or do not wish to continue training is very low.

#### OBITUARY

The Institution has lost by death the following friends :—

Mr. B. H. Tilston, Life Governor.

Lieut.-Colonel C. Lyon, Life Governor and Subscriber.

Mr. W. Stewart Royston, Life Governor and Subscriber.

Mr. H. Mather, Life Governor.

Mrs. T. S. Steel, Life Governor.

Mr. J. G. Critchley, Annual Subscriber.

Mr. H. H. Field, Annual Subscriber.

#### NURSING HOME

The Home, whilst having increased its work during the year, has been handicapped from acute staff difficulties.

Arrangements have now been made with the Nuffield Trust Provident Fund for the Infirmary Nursing Home to become an accredited place for the reception of their members and as agent to this fund the Infirmary can advise those persons wishing to join a scheme of this kind.

Miss M. Thomas Sister-in-Charge, resigned her position and left at the end of the year.

Miss A. Forster has been appointed in her stead.

#### ENDOWMENT FUND

The following legacies and donation have been received and placed to the credit of the above fund :—

Exors. of the late Mr. W. W. Dimmelow	....	....	£500
do. Mr. Joseph Iredale Hewitt	....	....	£3,000
Mr. C. F. Hill	....	....	£500

No better form of perpetuating the memory of some loved one can be found than by the endowment of a bed or cot.

#### SPECIAL BUILDING FUND

The following free legacy has been received :—

Exors. of the late Miss E. S. Hilton	....	....	£100
--------------------------------------	------	------	------

With the opening of Sunday Cinemas in the town the Infirmary Sunday Concerts had to close and a very substantial revenue has been lost. This money has helped in the past with building and equipment, and has saved making frequent special appeals for this purpose.

Among the donations received was a grant of £1,000 from the employees of the Burtonwood Repair Depot ; £200 from the Warrington Co-operative Society Centenary Celebrations Committee ; £173 17s. 6d. from the Ladies' Section of the Infirmary Workpeople's Committee ; and £61 11s. 6d. from Miss Kenwright's Dancing Display.. The last three items being for the purchase of apparatus for the Orthopædic Department Extension.

#### HOSPITAL SUNDAY FUND

The sum of £472 14s. 5d. was handed over this year which was a reduction of £8 14s. 11d.

The Special Thanksgiving Service was again held in the Parish Church, and the Board's thanks are tendered to the Rector for the arrangements made.

Mr. J. L. Collin, Hon. Secretary, is once again thanked for his services.

#### WORKPEOPLE'S INFIRMARY COMMITTEE

The grant shows a reduction of £1,315 5s. 4d. as compared with the previous year. As mentioned in the last report, steps were taken in the early part of the year to increase the rates of contribution in order to offset the reduction of members caused by the redundancy of certain government employees. The new rates have not yet been in operation for twelve months so it is too early to state whether the increase will meet the reduction of £5,600 during the past two years.

Thanks are tendered to the Committee for their interest in the welfare of the Institution, also to their representatives who sit on the Board for their advice and assistance.

#### LADIES' LINEN GUILD

The Guild paid over the sum of £365, which was a decrease of £135 over the previous year. The Board once again tender to the Officers, Collectors and Subscribers their thanks for the continued financial assistance.

#### INFIRMARY LEAGUE OF HELP

The sum of £70 was granted this year and the Board thank the members for this financial aid.

#### THANKS

In conclusion, the Board sincerely thank the Ladies' Committee, Alexandra Rose Day Committee, the Members of the Civil Nursing Reserve, B.R.C.S., and Nursing Auxiliaries for their valuable work at Daresbury Hall, and all other kind friends for services and financial assistance which they have rendered to this Institution during the past year.

A special tribute is paid to all staffs for the work which they have carried out during the year.

The Christmas Festivities for patients and staff were again carried out, although modified through war conditions, but were greatly enjoyed. There was, as usual, no expense on the General Fund.

The Secretary is always anxious to add new names to the List of Subscribers, and would deem it a favour if present Subscribers would help him by sending the names and addresses of others whom they think likely to be interested in the work of the Infirmary and to contribute to its funds.

If desired, further copies of the Annual Report will be gladly supplied on application.

NOTE.—Recommends are being eagerly sought for, and Subscribers who have no call for them will be doing an excellent service if they would kindly return their Recommends to the Secretary, who would distribute them in places where they are needed.
